Bill No: SCR 110

**SUBJECT:** Women's Military History Week

**SOURCE:** Author

---

**DIGEST:** This resolution recognizes "Women Warriors" by proclaiming the week of March 16, 2026, to March 22, 2026, inclusive, as Women's Military History Week in California, recognizes the hard-fought contributions of women to the military and freedom, and encourages Californians to honor the courageous sacrifices that women have made since the historic lifting of the ban on women in combat on January 24, 2013.

**ANALYSIS:** This resolution makes the following legislative findings:

- 1) Women have served bravely in every major United States conflict since the American Revolutionary War, but their courage and service have gone unrecognized. Our current servicewomen would be unable to serve without the precedence, persistence, determination, and unyielding resilience of the incredible strides of women of previous generations.
- 2) The over 3 million women who have served in or with the armed forces since the American Revolution have contributed immensely to the strength and resilience of our armed forces.
- 3) Over 400 women have been killed in combat since World War I and over 90 women have been identified as prisoners of war since World War II.
- 4) It is recognized that women have always been capable of serving in combat and that it is policies like the 1994 ban on women in combat that have precluded women from serving. From the Revolutionary War to modern-day humanitarian efforts, women in our military have led the way for progress, despite decades of obstacles, ultimately serving in positions of leadership and combat roles.

This resolution recognizes “Women Warriors” by proclaiming the week of March 16, 2026, to March 22, 2026, inclusive, as Women’s Military History Week in California.

**SUBJECT:** Gold Star Mothers' and Families' Day

**SOURCE:** Author

---

**DIGEST:** This resolution proclaims September 27, 2026, as Gold Star Mothers' and Families' Day in California.

**ANALYSIS:** This resolution makes the following legislative findings:

- 1) The history of Gold Star families began in the United States shortly after World War I to provide support for mothers who lost sons or daughters in the war.
- 2) The reference to the Gold Star comes from the custom of families of service members hanging a service flag in the window of their homes displaying a blue star for every living family member in the Armed Forces and a gold star for those who have perished.
- 3) Since 2009, the President of the United States has designated the last Sunday in September as Gold Star Mothers' and Families' Day, continuing the tradition of honoring the sacrifice of these families. Supporting Gold Star families demonstrates the commitment of the American people to those families, now and in the future.
- 4) As a nation, we must continually look for new ways to support Gold Star families both in the days immediately following the tragedy and in the years that follow.

This resolution proclaims September 27, 2026, as Gold Star Mothers' and Families' Day in California.

**SUBJECT:** National Consumer Protection Week: Slam the Scam Day

**SOURCE:** Author

---

**DIGEST:** This resolution proclaims March 1, 2026, to March 7, 2026, inclusive, as National Consumer Protection Week, and March 5, 2026, as Slam the Scam Day, and encourages all Californians to engage in consumer education efforts and to utilize available resources to prevent fraud, protect personal information, and promote transparency and fairness in the marketplace.

**ANALYSIS:** This resolution makes the following legislative findings:

- 1) Consumer rights are fundamental to economic fairness, public trust, and individual dignity, and strong consumer protections are essential to a healthy and inclusive marketplace.
- 2) As commerce increasingly occurs through digital platforms, consumers face evolving risks related to data misuse, cybersecurity threats, misleading advertising, and financial scams, which underscores the importance of informed and proactive consumer protection efforts.
- 3) In 2023, the Federal Trade Commission reported at least \$10 billion in consumer fraud losses, representing the highest level of reported losses to date. Approximately 8 % of adults in the United States reported losing money to a scam, which reflects widespread exposure and significant underreporting of fraud incidents.
- 4) National Consumer Protection Week provides an opportunity for state and local agencies, community organizations, and consumer advocates to collaborate in raising awareness, sharing resources, and promoting best practices that protect consumers' financial well-being and privacy.

This resolution proclaims March 1, 2026, to March 7, 2026, inclusive, as National Consumer Protection Week, and March 5, 2026, as Slam the Scam Day, and encourages all Californians to engage in consumer education efforts and to utilize available resources to prevent fraud, protect personal information, and promote transparency and fairness in the marketplace.

**SUBJECT:** Black History Month

**SOURCE:** Author

---

**DIGEST:** This resolution recognizes February 2026 as the centennial anniversary of Black History Month, urges all citizens to join in celebrating the accomplishments of African Americans during Black History Month, and encourages the people of California to recognize the many talents of African Americans and the achievements and contributions they make to their communities to create equity and equality for education, economics, and social justice. This resolution recognizes the significance in protecting the fundamental human rights enshrined in the United States Constitution and its Amendments, the United States Bill of Rights, and the California Constitution, as specified. This resolution also affirms the commitment of the Legislature all people are equal and shall be treated with respect and dignity and shall enjoy the equal application of the law for which the Legislature has been entrusted.

**ANALYSIS:** This resolution makes the following legislative findings:

- 1) August 2019 marked 400 years since the first arrival of Africans to present-day America, and the United States Congress established the 400 Years of African American History Commission to commemorate the historic heritage and contributions that Americans of African descent have made to help shape the cultural, academic, social, economic, and moral attributes of this nation.
- 2) From the earliest days of the United States, the course of its history has been greatly influenced by African American heroes and pioneers in many diverse areas, including science, medicine, business, education, government, industry, and social leadership.

- 3) Just 50 years ago in 1976, the United States government officially recognized Black History Month, calling upon the public to “seize the opportunity to honor the too often neglected accomplishments of Black Americans in every area of endeavor throughout our history”.
- 4) Despite decades of progress, African Americans continue to face racial and social injustices, voter suppression, economic stagnation, and voting barriers in jurisdictions with a history of discrimination. To build a stronger and more cohesive state and nation, we must continue to help advance the cause of voter equality and equal access to the political process for all people in order to protect the rights of every American.

This resolution recognizes February 2026 as the centennial anniversary of Black History Month, urges all citizens to join in celebrating the accomplishments of African Americans during Black History Month, and encourages the people of California to recognize the many talents of African Americans and the achievements and contributions they make to their communities to create equity and equality for education, economics, and social justice.

**SUBJECT:** Sexual Assault Awareness Month and Denim Day.

**SOURCE:** Author

---

**DIGEST:** This resolution recognizes April 29, 2026, as Denim Day in California and encourages everyone to wear jeans on that day to help communicate the message that there is no excuse for, and never an invitation to commit, rape.

**ANALYSIS:** This resolution makes the following legislative findings:

- 1) In 1998, the Supreme Court of Cassation in Italy overturned the conviction of a man who sexually assaulted an 18-year-old woman after the court determined that, “because the victim wore very, very tight jeans, she had to help him remove them, and by removing the jeans it was no longer rape but consensual sex”.
- 2) Enraged by the court decision, within a matter of hours, the women in the Italian Parliament launched into immediate action and protested by wearing jeans to work. Nations and states throughout the world have followed the lead of the Italian Parliament by designating their own “Denim Day” to raise public awareness about rape and sexual assault.
- 3) The National Intimate Partner and Sexual Violence Survey reports that there are over 38,000,000 survivors of rape throughout the United States, with 3,250,000 of those survivors of rape currently living in the State of California.
- 4) In addition to the immediate physical and emotional costs, sexual assault survivors too frequently suffer from severe and long-lasting consequences, such as post-traumatic stress disorder, substance abuse, major depression, homelessness, eating disorders, low self-esteem, and suicide.

- 5) California is a national leader in promoting victim-centered approaches within the judicial, criminal justice, medical, rape crisis, and health communities. In 2021, California joined the States of New Hampshire and Florida in fulfilling the promise of Denim Day by approving and enacting Assembly Bill 939 (Cervantes, Chapter 529 of the Statutes of 2021), which prohibits a survivor's manner of dress from serving as evidence of consent in sexual assault cases.

This resolution recognizes April 29, 2026, as Denim Day in California and encourages everyone to wear jeans on that day to help communicate the message that there is no excuse for, and never an invitation to commit, rape.

- 3) It is fitting and proper that we recognize the immeasurable contributions of California's Montessori schools, and congratulate all Montessorians upon the 119th anniversary of the first Montessori school.
